I am a small business owner by profession and I have been serving as a Weber County Commissioner for the last 3 years. I have served under the principles of:

**Limited Government** – Keeping government from providing services that the private sector can and should provide.

**Representative Government** – Always being open, accessible, and accountable to the people I serve.

**Affordable Government** – Balancing needs verses wants and learning to live within our existing revenues.

I would like to continue to serve the people of Weber County. For more information please visit me at [www.votejanz.com](http://www.votejanz.com)
